Tiffany is amazing! I had her for 1010 and 2010 and would take another class from her any day. She spends a lot of time making sure her expectations for every assignment are crystal clear, and if you don't understand she will take the time to explain. Attendance is 13 of your final grade, so make sure you're there. All in all, Tiffany rocks! (English 1010 – 5/17/2015)

I have had only great communication and feedback from Prof Rousculp. She is a teacher you will be lucky to have. She uses the class as a whole to shape her lessons' needs. She is passionate about what she does and wants only to help people move past their personal hurdles, not rudimentary ones. Side note: she founded the Community Writing Center – (English 2010 - 5/15/2015)

Rousculp is one of the better instructors I've had. I never got bored in class, and I never felt like the work I did was tedious. Every assignment has meaning. Attendance is pretty much mandatory, she does not use a textbooks. This is not an "easy" class, but if you are willing to work hard you will do just fine. –(English 1010 - 11/30/2014)

Tiffany is a great professor. She is somewhat unconventional in her teaching styles, which is very refreshing. Attendance is pretty important. She doesn't try to direct your writing in a certain way, but rather lets you find it yourself. 10/10 would take her again. (English 2010 - 4/29/2013)

This was a wonderful class. I have never liked writing, but she helped me understand how to analyze writing so I can write in any genera. She's incredibly helpful and appreciates hard work. Anyone can get a good grade in this class if you are just willing to do your best. Attendance is a MUST for this class. (English 2010 -12/12/2012)
